Opis produktu

Timeless Premium Needle

Coravin Timeless Needles are specially designed to pierce through natural or agglomerated cork and allow you to pour wine without opening the bottle. The Coravin Timeless Premium Needle marries the gentleness of the Timeless Vintage Needle and the speed of the Timeless Fast Pour Needle, for a smoother pour.

What's Included

Timeless Premium Needle (1)

- The Timeless Premium Needle features a multi-hole design that ensures a smooth pour time after time.

Premium Needle Clearing Brush (1)

- If your Coravin Premium Needle becomes clogged, use the Premium Needle Clearing Brush to clear out any cork particles.

How to Replace the Coravin Needle

Remove

Grasp the Needle Grip and unscrew it to release the Needle from the System.

Install

Slide the pointed end of the new Needle back into the Needle Guide. Screw the Needle Grip into the System until it clicks into place. You are ready to pour!

Average Pour Rate

On average, a 5-ounce (150ml) pour of wine with a Standard Needle will take 25 to 29 seconds.

Key Features

Multiple-Hole Design

The Premium Needle's multiple-hole design has been proven to greatly reduce the amount of natural cork fragments in a glass or bottle of wine.

Smart Grip

Change Timeless Needles with ease thanks to the smart textured grip atop each needle.
